House Bill Poses Threat to Local Millage Elections

We need your help! [House Bill 4814 \(Albert\)](#) would limit all local governments to only being able to offer a millage question on the November General Election Date.

The League has been informed that alternate language is being considered that would allow millage questions on any August or November election, but the League remains opposed to any further restriction on election access.

Act fast! The House Elections Committee has scheduled a hearing on Jan. 25. **Your State Representative sits on this committee** and will determine if the bill moves forward. Please contact them as soon as possible to express your opposition to this intrusion on local control!

Thank you for your assistance.
