What we are doing with information
- Used PAC Tool as part of larger discussion about the community.
- Howell has begun concentrated effort to enhance our sense of place.
- Sense of Place includes physical infrastructure and quality services.
Next Steps

- City to begin $20 Million street reconstruction project
- 11 Miles of streets (about 30% of the City’s streets)
- Conducting a Community-wide charrette to gain community input
- Street designs will look to enhance sense of place and includes walkability and traffic calming techniques.
