CITY OF LAPEER
Resolution In Support Of
Proposal 1 For Safer Roads

WHEREAS, Michigan’s roads and bridges threaten driver safety and contribute to countless accidents each year, as drivers swerve to avoid potholes and other road hazards; and

WHEREAS, 38 percent of Michigan’s state- and locally-owned urban roads and 32 percent of the state’s state- and locally-owned rural roads are in poor condition; and

WHEREAS, Michigan has relied on Band-Aid, short-term fixes for our roads instead of investing enough money to fix our roads for the long term; and

WHEREAS, Michigan invests less per capital in transportation than any state in the United States of America; and

WHEREAS, the longer we wait to fix Michigan’s roads, the more it will cost us; and

WHEREAS, in addition to threatening public safety, Michigan’s crumbling roads hurt our economy; and

WHEREAS, Proposal 1 on the May 5 ballot is Michigan’s last, best chance to finally fix our roads with funds that politicians can’t divert somewhere else – while also supporting Michigan’s long-term future by investing in our public schools and local communities.

NOW THEREFORE BE IT RESOLVED: That the Mayor and City Commission of the City of Lapeer supports Proposal 1 on the May 5 ballot to provide the funding needed to finally fix our roads for the long term; and

RESOLVED: That the Mayor and City Commission knows the 1-cent increase in the sales tax will benefit local communities and help ensure drivers’ safety on the roads; and

RESOLVED: That the Mayor and City commission formally supports Safe Roads Yes! Because if it passes, every penny we pay at the pump in state gas taxes is guaranteed in the constitution to go to transportation.

Dated this 2nd day of March 2015.
