RESOLVED: That the City of Walkerville formally supports Safe Roads Yes! because it is the only penny every person and every family pays at the pump in state gas taxes is guaranteed in the constitution to go to transportation and help ensure driver safety on the roads and every penny pays for local roads and helps ensure driver safety on the roads.

RESOLVED: That the City of Walkerville knows the 1-cent increase in the sales tax will benefit local communities and businesses.

NOW, THEREFORE BE IT RESOLVED: The sale of Walkerville supports Proposal I on the May 3, 2015 ballot is Michigan’s best chance to finally fix our roads with long-term funding for public safety, public transit, and our economy.

WHEREAS, in addition to preserving public safety, Michigan’s crumbling roads hurt our economy and money to fix our roads for the long-term;

WHEREAS, Michigan invested less per capita in transportation than any state in the United States of America;

WHEREAS, Michigan relies on bond-aided short-term fixes for our roads instead of investing enough money to fix our roads for the long-term;

WHEREAS, 38% of Michigan’s state- and locally-owned urban roads are in poor condition; and locally-owned rural roads are in poor condition; and

WHEREAS, as drivers swear to avoid potholes and other road hazards and to sometimes swerve to avoid potholes and other road hazards and处处

WHEREAS, Michigan’s roads and bridges threaten driver safety and contribute to countless accidents each year.
