Michigan Municipal League Honors Hamtramck Mayor

LANSING, Michigan – Hamtramck Mayor Karen Majewski was among the people, communities and organizations honored with Outstanding Service Awards on Wednesday during the Michigan Municipal League's annual Capital Conference April 5-6 in Lansing.

The League's Outstanding Service Award is given to recognize those who have gone above and beyond the call of duty in supporting our legislative efforts in Lansing.

"Hamtramck Mayor and League Board Vice President Karen Majewski has been a fantastic voice for communities across Michigan when it comes to speaking about the financial concerns cities are facing," said League Director of State Affairs Summer Minnick.

"She takes time out of her schedule to come to Lansing as often as she can to testify on issues such as revenue sharing, speaking as both a mayor of one city and a concerned leader for communities statewide. Her testimony is poignant and her passion shines through as she talks to legislators from around Michigan."

Majewski is also a member of the Michigan Association of Mayors and Michigan Women in Municipal Government.

It is through the combined energy and efforts of municipalities and individuals such as Hamtramck Mayor Karen Majewski that the Michigan Municipal League is able to successfully promote and protect the common interests and needs of our local communities and the citizens who live and work within them.
