Michigan Municipal League Honors Lake Isabella Village Manager

LANSING, MICHIGAN - The Michigan Municipal League honored Lake Isabella Village Manager Tim Wolff during the League's annual Capital Conference held March 20-21 in Lansing. Wolff received the League's Outstanding Service Award on Wednesday. The honor is given to recognize those who have gone above and beyond the call of duty in supporting the League's legislative efforts in Lansing on behalf of Michigan communities.

As Lake Isabella's Village Manager, Tim Wolff is a strong advocate for communities and has been a great resource for the League on many legislative issues affecting all communities in Michigan. He has testified on a variety of bills at the Capitol, ranging from local control in planning and zoning to short-range radios to high-speed internet and broadband access. He has also taken a leadership role within the League as the Chair of the League's Economic Development and Land Use policy committee where he has been a strong voice on behalf of communities regarding legislation that we support or oppose. Wolff is also a believer in the League's Center for 21st Century Communities program and the strategies that will help to make Michigan's communities vibrant.

Ann Arbor City Attorney Stephen Postema was also honored during the awards ceremony.
