Jonesville SOUP Initiative

SOUP is:

- ◆ civic engagement
- ◆ an entrepreneurial environment
- ◆ youth focused placemaking
- ◆ a platform for community connection
- ◆ an experiment in micro-funding
- ◆ an opportunity to support the Jonesville community

A simple public dinner where attendees vote to fund small community projects with the money raised by the meal. Jonesville students have five minutes to pitch their community project to attendees. The student project receiving the majority of attendee votes will receive \$500 to put their idea into action.
