

## Part 66

## 66.000 - REGULATION OF PARKING ON VILLAGE OF BLISSFIELD STREETS DURING SNOW EMERGENCIES

Ord. of 12-12-2005 Adopted December 12, 2006

WHEREAS this Council wishes to regulate the parking of motor vehicles, trailers, and the presence of movable objects on Village of Blissfield Streets during times of snow fall.

NOW THEREFORE THE VILLAGE OF BLISSFIELD HEREBY ORDAINS:

## 66.001 - Authorization of snow emergency.

The Village President, the Village Administrator, the Village Police Chief, and the Village Department of Public Works Supervisor are all hereby authorized to individually and/or jointly to declare a snow emergency in the Village of Blissfield to effectuate the removal of snow from the Streets of the Village of Blissfield.

## 66.002 - Declaration of snow emergency.

Upon declaration of a snow emergency the official so declaring shall notify print and broadcast media providing service to the Village of Blissfield of the declaration of the snow emergency including the beginning time and the ending time of the snow emergency. A copy of said notice shall also be posted at the Village of Blissfield Offices building.

## 66.003 - Removal of all vehicles.

Following said declaration all motor vehicles, trailers, and movable objects shall be removed from the Village of Blissfield streets until the expiration of the snow emergency.

## 66.004 - Removal by police department.

Any motor vehicle, trailer or movable object not removed from the Village of Blissfield streets during a snow emergency may be removed by the Blissfield Village Police Department. Provided, however, that prior to the removal by the Blissfield Village Police Department, members of the Blissfield Village Police Department and/or the Blissfield Village Department of Public Works shall first attempt to verbally notify the registered owner/the person having charge of said motor vehicle, trailer or movable object of the need to remove said motor vehicle, trailer or movable object. In the event the Blissfield Village Police Department or the Blissfield Village Department of

Public Works are unable to locate the registered owner/the person in charge of the motor vehicle, trailer or movable object or said registered owner/person in charge refuses to remove said motor vehicle, trailer, or movable object then the Blissfield Village Police Department shall remove said motor vehicle, trailer or movable object by proper means.

66.005 - Refusal to remove vehicles.

The failure/refusal to remove a motor vehicle, trailer or movable object from the streets of the Village of Blissfield during a snow emergency shall constitute a civil infraction punishable by a fine of not more than One Hundred (\$100.00) Dollars plus the cost of prosecution.

66.006 - Cost of removal borne by owner.

The cost of removal and storage of a motor vehicle, trailer or movable object shall be borne by the registered owner and/or the person having charge of the motor vehicle, trailer, or movable object.

This Ordinance Regulating Parking on Village of Blissfield Streets During Snow Emergencies takes effect January 2, 2006.
