**Sec. 10-211. Purpose.**

The purpose of this article is to help protect the health, safety and welfare of the citizens by preventing blight, protecting property values and neighborhood integrity, avoiding the creation and maintenance of nuisances and to ensure the safe and sanitary maintenance of dwellings, commercial and industrial buildings. It is the intent of this article to address homes and buildings that have become vacant, abandoned, or otherwise unsupervised thereby having a negative impact on surrounding properties and neighborhoods. Vacant and abandoned homes create an increased instance of unsecured or open doors and windows, broken water pipes, flooded basements, theft of metals and other materials, overgrowth of grass, weeds, shrubs, and bushes, illegal dumping, and rodent and vermin activity at vacant structures. Such neglect devalues properties and causes deterioration in neighborhoods and industrial and commercial areas. It is important for the city to be able to contact owners of vacant properties for property maintenance, utility shutoff, fire safety, and police reasons.

*(Ord. No. 1031, § 1470.01, 9-7-2010)*

**Sec. 10-212. Scope.**

The provisions of this article shall apply to all existing residential, commercial, and industrial structures. This article does not relieve an owner from compliance with all other city ordinances, codes, rules, regulations, and state law.
