Dear Kalkaska Resident,

Enclosed is a Master Plan Survey for the Village of Kalkaska. The purpose of this survey is to gather input, opinions, and ideas from residents and business owners on current and future Village issues. Results will be used in the development of the Kalkaska Village Master Plan, which is currently being developed by the Village Planning Commission. A master plan is a guide to help shape local land use and other community decisions. It will prepare the Village for changing needs and will allow for informed decisions about transportation, housing, infrastructure, recreation, land use, the economy, and overall quality of life.

As a resident and stakeholder of the Village of Kalkaska, your input and opinions are key to the planning process. Residents' values and priorities will be the foundation of the new Village Master Plan, so we encourage you to take this opportunity to share your thoughts about the Village and its future.

Please return completed surveys to the following address by **December 6, 2010:**

Village of Kalkaska
Attn: Penny Hill, Village Manager
200 Hyde Street
Kalkaska, MI 49646

Also, please mark your calendars for the Village Master Plan Public Forum, which will be held on **Wednesday, December 1st**, from 6:00 – 8:30 p.m. at the Kalkaska High School. The forum will be an opportunity to learn about the Master Plan process and to share your vision for the Village with the Planning Commission and other Village residents.

Thank you for your time and participation. For more information on the Master Plan or the planning process, or to access additional copies of the survey, please visit the website at www.networksnorthwest/villageofkalkaska. Or, contact Sarah Lucas, Regional Planner, Northwest Michigan Council of Governments, at 231-929-5034 or via email at sarahlucas@nwm.cog.mi.us.

Sincerely, 

Bob Larsen, Chair
Kalkaska Village Planning Commission
